SR #	Requesting Agency	Product	Impacts All Agys	Module	Priority	Level of Effort	Short Description	Long Description	Synopsis of Request (Requirements)	Proposed Solution (How it would work/Customization Overview)	CAPPS Support Team Vote Recommendation
32667	DPS	Talent Management	Yes	Recruiting Reports	Low	Medium	Create new OBI report for active postings.	Create a new OBI report to capture data for active postings and include the following data elements/columns: • Requisition Title • Business Unit Code • Business Unit Name • Department Code • Department Name • Posting Begin Date • Posting End Date • State Job Code • Additional State Job Codes • Job Code(s) • Salary Admin Plan • Grade • Additional Grades • Minimum Salary • Maximum Salary • Budget Code Please include prompts for posting the (begin) date and department to filter the results. Please format the report so it can be loaded into external tools like XLS and Access for further processing by the Agency (i.e. no data suppression to show data grouping). Only show Active Postings – the Posting End Date is either null or in the future.	The agency requests an active posting report that includes the following information/columns: • Requisition Title • Business Unit Code • Business Unit Name • Department Code • Department Name • Posting Begin Date • Posting End Date • State Job Code • Additional State Job Codes • Job Code(s) • Salary Admin Plan • Grade • Additional Grades • Minimum Salary • Maximum Salary • Budget Code Prompts include standard prompt elements and posting the (begin) date and department to filter the results. The report should only include active postings. Format the report in a way that allows the data to be loaded into other tools.	The CAPPS Recruit deployment team will build a new CAPPS Recruit Oracle Business Intelligence (OBI) report to report on active postings.	Approve
